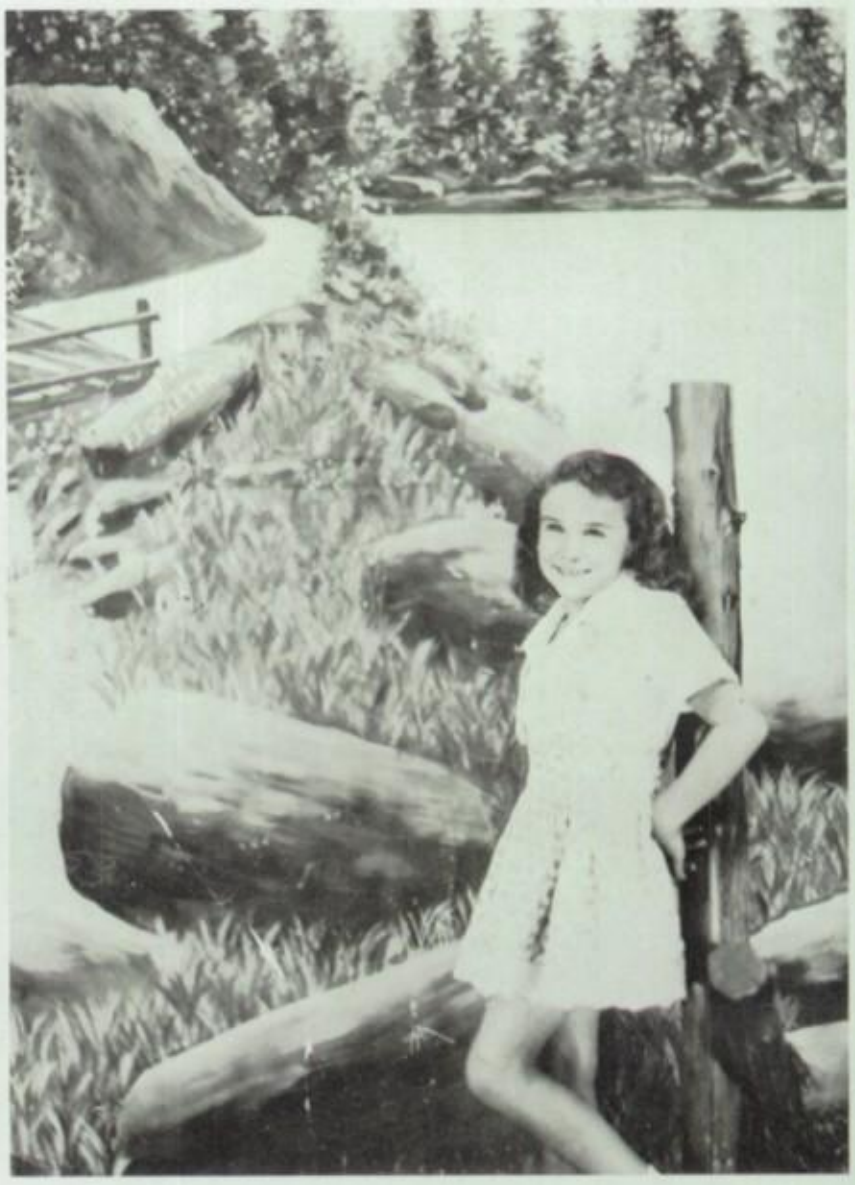
Caught in the Middle



Mrs. Myrtle Kelly . . . a lady of great importance to Marion County High School. Mrs. Kelly has been teaching school for thirteen years, ten of which have been at M.C.H.S. What on earth would we do without her? Who goes around in a mad panic the day of homecoming, just trying to put all the pieces together? None other than Mrs. Kelly. When a candidate's escort is nowhere to be found 10 minutes before the homecoming activities begin, once again Mrs. Kelly can be counted on to find the lost. If a candidate accidentally rips her dress, who else but Mrs. Kelly would be right there with needle and thread in hand?

Homecoming is not the only event Mrs. Kelly spearheads; there is much more to come. She is also in charge of the Student Council and Beta Club. Those are two big jobs for any one person to take.Just stop a moment and think of all the preparations that are necessary for homecoming, the homecoming dance, the canned food drive, Beta Club initiation, awards day, and the list goes on and on. On top of all that, she teaches civics and Tennessee History.

After a long day of school, she is finally able to go home and get a little peace and quiet. Mrs. Kelly and her husband Kenneth reside in Kimball. They have 3 children, who are now grown. Her children are Karen, Robert, and MaryAnn. Not only is Mrs. Kelly a wonderful school teacher, she is a wonderful wife and mother. Marion County High School salutes you, Mrs. Kelly, for a job very well done.

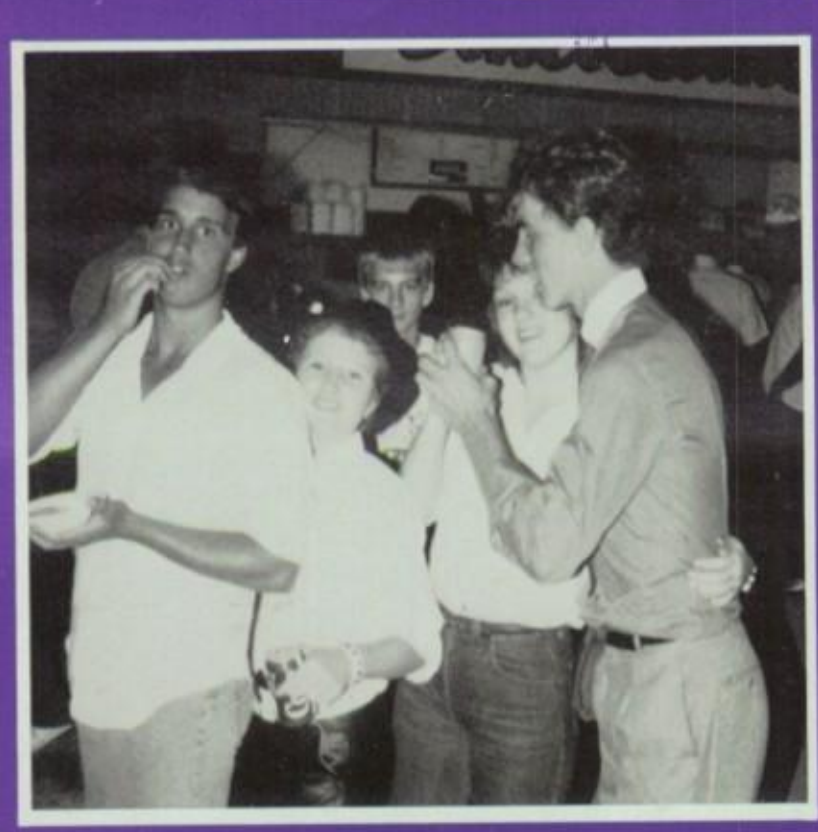
summer



BACK IN THE SWING . . .

STUDENTS HAVE MIXED feelings about returning to high school after a long summer vacation. Some await the first day of school brimming with eager anticipation of the exciting year ahead.

Yet there are others who have a negative attitude toward high school. Especially in the case of freshmen, there is the dread of being thrown into a fast paced environment where they have to start at the bottom of the ladder to regain their social standing.

One must realize that in truth the year is what you make it. Remember the saying, "If it's to be, it's up to me."

The 1985 Yearbook Staff was awarded a 1st place trophy at camp for work on this year's book. We hope you like it!

Catching the "Scoop"

Editors and sponsor, Mrs. Golda Elliot

Features staff

News staff

Sports staff

Purple Haze

The members of this year's newspaper staff have worked diligently to produce an informative and interesting paper. The staff consists of a news editor, an art editor, and also editors for sports, features, reprographics and typing, along with 17 reporters. To be selected for the newspaper staff, these members had to submit an article they had written to the sponsor, Mrs. Golda Elliott, to be evaluated. The students who showed superior journalism abilities were selected to compose the staff. Editors were chosen to guide and advise their respective departments on articles and problems that may arise. Each department has specific duties.

The news department covers all the events that occur relating to school. The features department is in charge of specialties and things such as song dedications. Reprographics and typing are all responsible for putting the paper together in the finished form. All members sell the papers during school the day they are published.

For students planning to enter the field of journalism as a career, the experience of writing for the school newspaper is the perfect and logical beginning. It provides the writer with opportunities to express themselves through their articles and increase their knowledge of journalism techniques.

GETTING CAUGHT UP IN THE SPIRIT was the favorite activity of the student body during the playoff games. As everyone knows, football is a way of life at M.C.H.S. Sign making was a fun time for everyone, but it was also a time of seriousness as each class tried to outdo the other. The result of all this, that may seem like foolishness to a lot of people was hundreds of signs displayed in various colors containing catchy sayings and showing true artistic ability. This time of togetherness showed the spirit of the student body as a whole.

The MCHS cheerleading squad has made the 1984-85 school year something to remember. From the day of spring tryouts until the last basketball game the cheerleaders gave 100%. Their year began with a summer cheerleading clinic. In June they competed at the University of Tennessee at Martin. Out of sixty squads they were ranked second. This wasn't the only award they received. At the state-playoffs they won the Clinic Bowl Spiritfest. These two achievements were accomplished with dedication and hard work, which this squad did not lack. By far, this is one of the best cheerleading squads MCHS has ever seen.

CAUGHT UP IN THE

The 1984 football season will be a measuring unit to future Warrior teams for some time. Truly no other season equaled this one because of the outstanding achievements as a whole team. Everyone awaited restlessly the season to begin, knowing that the previous season was a rebuilding one and that this team should be one of the finest Coach Ken Colquette had ever produced.

The season began with the Warriors pitted against their infamous rivals the South Pittsburgh Pirates and as always it was a thriller. Both teams displayed their skills which were backed up by numerous days of hard work but as all sporting events go someone had to win and fortunately it was our Warrior squad kicking off another great season as they beat their rivals 17-10.

The nine weeks ahead would prove to be most exciting as the Warriors took nine straight victories, showing mercy to none and the fans loved it.

Finally the time came. The Warriors would be attempting to make it to the State Finals for the second time in history. This achievement had been the highest goal for the chosen few who had lived through the strenuous training and now it was time to make dreams become reality.

The Warriors took the challenge as they won three playoff games in a row, Howard and Maryville being most exciting, played before capacity crowds, yelling at the top of their lungs. After winning the three games, the only subject of conversation among people was the State Title. It was true, the Warriors had been given the opportunity once more. Memories of the "82" season still lingered in the minds of everyone. We were hungry for the championship. Unfortunately teh Warriors lost again but the story was not the same. After the game was over the Warriors knew they had battles themselves and when playing yourself you can only lose. the players eventually overcame the agony of defeat and looked to brighter things such as breaking a school record with thirteen victories in a single season and of course, next year . . .!

The 1985 Student Council had a very prosperous year, led by their president Dottie Brown. They started the year out right by adding something new to the school — the Warrior mural in the gym. Homecoming was very successful thanks to the efforts of the Student Council members. An old tradition was even restored and added to all the excitement of homecoming week — a homecoming parade! Everyone got involved by each class building their candidates a float to ride upon. Even though teachers don't always feel appreciated, the Student Council members wanted to show them that they really are appreciated by giving them a teacher luncheon on Teacher Appreciation Day. The 1985 Student Council accomplished a great deal more than usual, and, hopefully, they will increase these accomplishments each year.

FHA I

F.H.A. 1984-85

We began our successful year with a picnic at Jim Oliver's Smoke House. Some other events of the year included clue week and initiation, bowling, a visit to U.T.C., ice skating, and a tour of the most popular radio station KZ-106.

We've also enjoyed such popular places a Pizza Hut, Taco Bell, and Bennigan's. Many wonderful speakers visited our meetings and spoke on sexual abuse and handicapped kids.

The greatest change in F.H.A. was the addition of ten male members. This represents a time of growth and change for F.H.A. We're reaching out in many directions; our primary concerns are careers and social concerns. We are shaping tomorrow's world.

At Right: **FHA Officers:** Front to Back: Lisa Holland, Christy Sanders, Carol Hayes, Kathy Peacock, Amy Dobson, Christy Defur, Melissa Brackett, and Charlene Layne

B-Team

Back Row: Coach Gravitt, Toby Tankersly, Kelley Roarke, Dee Baxter, Lisa Holland, Lynn Floyd. Front Row: Dannette Cagle, Donna Smith, Candee Rash, Melissa Brackett.

Marion County's girls exploded with a tremendous blast in the season of 1984-85. When the lights were turned out in the gym for the last time, the season still wasn't over for the fabulous team. From there they went to the District tournament. After conquering Whitwell, which is always a big thrill, they went on to dominate Grundy County and take the District championship with an exciting score of 48-47. The excitement didn't stop there though ... Next they advanced to the Region tournament, where unfortunately, they fell to DeKalb County with a score of 52-38. In that game they were playing without 2 injured starters. Our outstanding team walked away with a noble 22-6 record. The exceptional season will always be remembered. Congratulations, girls, for a job well done!!

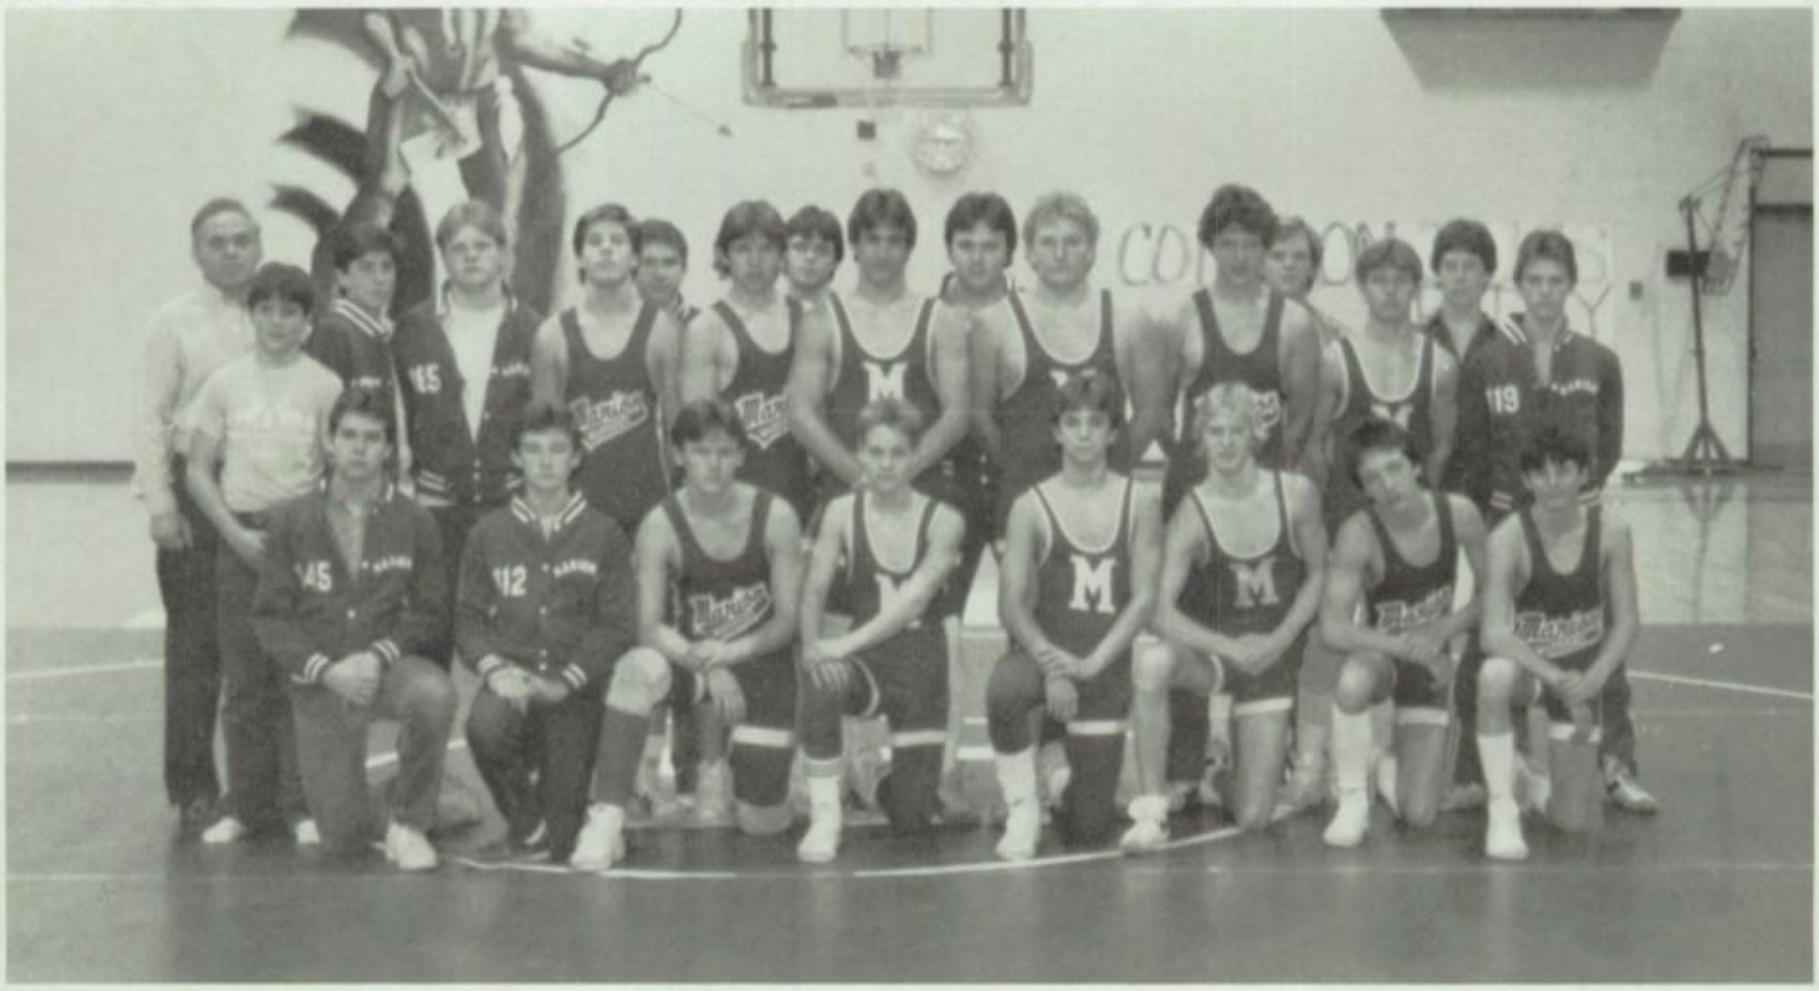
CAUGHT IN A KNOT



Wrestling Team 1984-85

The 1984 Wrestling team is probably the largest team ever, number wise. The freshmen who gained valuable experience by wrestling this year, are: Scott Elliott, Berry Fraley, Don Kilgore, Travis Bowlin, Jeff Gass, Stacy Hughes, Lavon Hughes, and Robbie Barnett.

The seniors that we will lose this year are: Dale Solomon, Mike Dagnan, Mike Cantrell, and James Gholston. They gave the team valuable leadership. The seniors who will be leading the team next year are: Ray Fowler, Sean Adkins, Gregg Hill, and Ronnie Dagnan.

The team record for 1984-85 is 8-6. The team also participated in three invitational tournaments and placed first in the Mountaintop tournament at St. Andrews-Sewanee.

In the District competition, Sean Adkins placed 3rd, Gregg Hill placed 3rd, Dale Solomon and Robbie Barnett placed 4th. None of the MCHS wrestlers placed in the Regional tournament.

Next year's team will have more experience and depth. I have seen several good prospects in the next year's ninth grade class. Oh Yes! Coach Bill and all of you other Buster Kennedy fans, Buster will be back next year.

By: Coach Harris

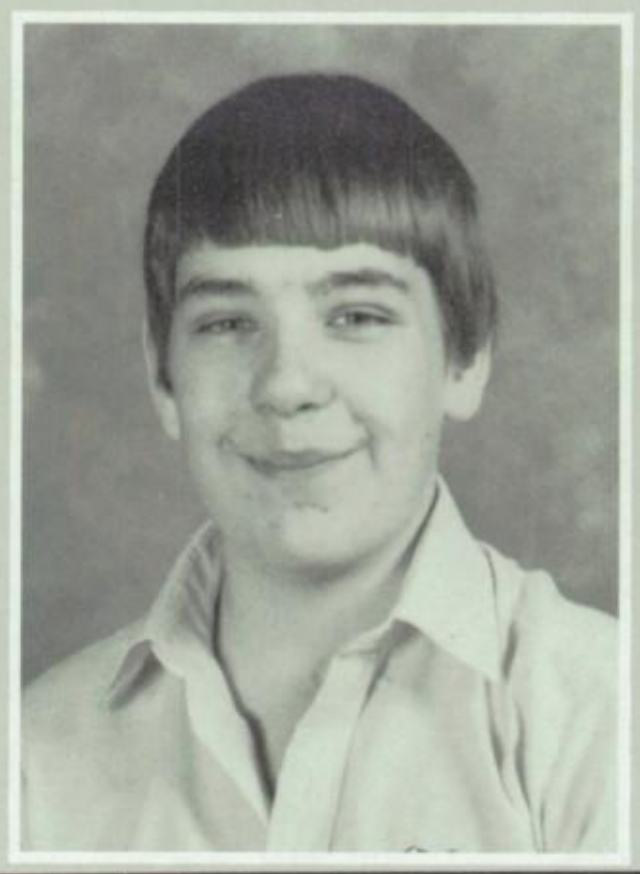
EDWIN FORREST TATE
JULY 29, 1968 —
DECEMBER 17, 1984



SHEILA KAY THOMPSON
JULY 10, 1966 —
FEBRUARY 28, 1985

When we are young, we live each day in a youthful world; a world which is only beginning. Each day, each hour, each minute is filled with limitless opportunity and possibility. Some activities we tend to put on the shelf — to wait there. There simply isn't time to do everything people (parents and teachers) lay out for us. We have all the time in the world. Our world is without limits; we can take care of those matters later.

This year, however, we were forced to accept one lesson, harsh and premature. Four of our fellow students, four young explorers of possibility, died out of time — out of order — and we who knew them experienced the black void.

Edwin Tate, Sheila Thompson, Tim Dover and Denise Foshee were a part of our world for a short time. We had no idea they would be called from us. They are gone and our lives are less. We could never do justice to the lives of our four friends with a simple memorial but we will always remember them with memories, smiles and friendship.

CAUGHT BEHIND THE DESK...

At Right: **1985 Parliamentary Procedure Team:** Kristy Jordan, Gail Parker, Barbara Dillard, Gay Carson, Amy Weeks, Abby Harris, Nicole Haynes and Anita Jackson. Below: **TOEC Group**

At Left: **1985 TOEC Officers:** Top to Bottom: Paula Meeks, Dawn Gatlin, Gay Carson, Barbara Dillard, Sherri Pittman and Gail Parker

TOEC stands for Tennessee Office Education Club. It is a branch of the national organization, OEA, or Office Education Association. The purpose of TOEC/OEA is to prepare today's young people for our modern business world.

TOEC/OEA recommends a wide variety of activities . . . services, social, and fund-raising. This way, the members do not lose their enthusiasm.

TOEC members participate in contests in the spring on the regional, state and national levels. This year eleven M.C.H.S. TOEC students competed. They were: Sherri Pittman — Job Interview; Kelly Marvin — Accounting I; Kim Searcy — Typing and Related II; Amy Weeks, Gay Carson, Anita Jackson, Barbara Dillard, Gail Parker, Kristy Jordan, Nicole Haynes and Abby Harris — Parlimentary Procedure. The Parlimentary Team was awarded a first place which enabled them to advance to the state competition, where they were awarded a second place allowing them to advance to the nationals in Houston, Texas.

TOEC is a great opportunity to get ready for the business world, so if you like to get involved, join TOEC/OEA.

MCHS BASEBALL 1985

Batgirls: Becky Bragg, and Kelley Henderson. 1st Row: Pumpy Tudors, Keith Webb, Steve Smith, Tony Yell, Ronnie Brown, Rex Elliot, Ronnie Lowerey, Darrell Layne, Scott Elliot. 2nd Row: Asst. Coach Johnny Grimes, Chris Cooper, Jimmy Pickett, Bill Donnell, Jim Cheaves, Lotchia Jones, Garfield Hale, Mikie Castle, Patrick Carmody, Chris Thomas, Chris Anthony, and Coach Al Raffo.

The 1985 Marion County High baseball team had a great season! Mostly triumphant and seldom falling, the team brought glory to Jasper, and for that we say, Thanks!

The season began with a boom as the team dominated Bledsoe County with a final score of 8-0. From then on the majority of the opponents were weak when up against the Warrior team.

Coach Raffo had an outstanding group of boys to work with this season. The record speaks for itself; they were fabulous! We are privileged to have such a talented group of males playing for Marion County High School. Congratulations on a super season!!!

TAKING THE FIRST STEP . . .

We gave it our all, a strive for high goals. The first year of a new sport at Marion County High wasn't easy, but we made the most of it. Although we weren't always champions, we learned good sportsmanship, as well as how to work together as a team. Our sincere thanks and appreciation goes out to Coach Stewart and our Marion County supporters. We hope we made you proud.

Thanks,

The Lady Warriors

MCHS BETA CLUB

Front Row: Janet Ellis, Treasurer; Amy Weeks, President; Gay Carson, Secretary. Back Row: Michelle Ziegler, Reporter; Neil Brown, Sgt. At Arms; Rex Elliott, Parliamentarian; Chris Thomas, Sgt. At Arms.

The Marion County High School Beta Club began the 1984-85 school year with the initiation of new members. Twenty students qualified for admittance. This set the Beta Club off toward numerous activities.

Old and new members alike helped in the annual canned food drive. The school brought in almost 60,000 ounces of canned food which went to help 40 families.

To show our gratefulness, the club sponsored a Teachers' Appreciation Day during National Beta Club Week. The teachers were honored with a reception in the lounge during their lunch period.

The principle activity which concerns the Beta Club is Award's Day. The program is organized and sponsored by the club.

Even with all the rush and confusion the members put forth enough dedication to make this year the best ever.

First Row: Mrs. Kelly, Advisor; Cherie Reeves, Lisa Fults, Janet Ellis, Michelle Moore, Kristy Jordan, Kim Searcy, Meredith Edmondson, Mary Lynn Sartain, Amy Weeks, Gay Carson. Second Row: Stephanie Ellis, Paula Carter, Michelle Ziegler, Dottie Brown, Kathy Reed, Sarah Price, Melissa Cooper, Misty Daffron, Johnna Rogers, Kim Thompson, Nicole Haynes, Bobbie Smith. Third Row: Rex Elliott, Steve Smith, Neil Brown, Chris Thomas, Bill Donnell, Alan Payne, Eddie Calhoun, Doug Nelson, Mac Phillips.

did we catch you in the act...

Trend's of 85 . . .

The trends of 1985 ranged from Cindy Lauper mania to the "G.Q. look." Even though some of the trends ill turn out to be only fads that fade away with the coming of the new year, we shouldn't totally disregard em. The various trends of any year are what make it so memorable. For instance, can *you* remember when was "cool" to wear bell-bottomed jeans and earth shoes? Ten years from now you will laugh just as hard what we thought was "in" when we were in high school. So, whether it be Tom Cruise sunglasses or onewashed jeans, the trends of 1985 are worth remembering.
